🎬 "ACT LIKE IT" — OFFICIAL CLOSED ALPHA TESTING AGREEMENT, NON-DISCLOSURE (NDA) & PARTNERSHIP DOSSIER

(iOS / IPADOS STANDALONE PWA EDITION — BUILD v1.0-ALPHA)

🔒 SECTION 0: PRE-REGISTRATION INTELLECTUAL PROPERTY & LEGAL NOTICE

(MANDATORY: Read, complete, and sign before installing, launching, or evaluating the application)

1. Unregistered Copyright & Common-Law Intellectual Property Notice: Although formal registration with the U.S. Copyright Office and the U.S. Patent and Trademark Office (USPTO) is currently pending, **automatic statutory copyright protection** under the U.S. Copyright Act (17\text{ U.S.C. } \S 102) attaches immediately upon creation and fixation of this original work. All aspects of **ACT LIKE IT™**—including but not limited to its original 100+ parody scripts, the *"Tri-Modal Judging Engine"* architecture, the *"2.5D Boondocks-inspired"* cell-shaded visual style and 14 character archetypes, the *"Life Is Improv"* stealth HUD mechanics, custom UI/UX layouts, audio cues, source code, database schemas, and trade dress—are the exclusive, proprietary intellectual property of the Creator/Studio (**© 2026 ACT LIKE IT Studio. All Rights Reserved. Common-Law Trademark ACT LIKE IT™ Claimed**).

2. Strict Confidentiality & Non-Disclosure Agreement (NDA): By accessing the Closed Alpha build or installing the iOS Home Screen App via **https://act-like-it.vercel.app**, you acknowledge and agree that this software is a **Confidential Pre-Release Trade Secret**. You expressly agree **NOT** to:

- Record, livestream, screenshot, or distribute gameplay publicly on social media (TikTok, Instagram, YouTube, X, etc.) without written authorization from ACT LIKE IT Studio.
- Share the private testing URL, room codes, or build files with non-authorized third parties.
- Copy, reverse-engineer, decompile, or appropriate any game mechanics, parody scripts, UI designs, or concepts from this software.

📱 SECTION 2: APPLE STANDALONE APP INSTALLATION & QA CHECKLIST

*Because Apple blocks Android .apk files on iPhones, **ACT LIKE IT** installs directly onto your iPhone/iPad Home Screen as a standalone full-screen iOS Web App via Safari—no Google account, no AI Studio login, and no App Store wait required!*
Official Standalone Apple Tester Link: 👉 https://act-like-it.vercel.app

- [ ] **2.1 Open in Apple Safari:** Open **Safari** on your iPhone or iPad and go to **https://act-like-it.vercel.app**.
  - [ ] *Verify:* Does the game load directly into the **ACT LIKE IT** premiere screen without asking for any Google AI Studio login? ([ ] PASS / [ ] FAIL)
- [ ] **2.2 Download / Install to iPhone Home Screen (Standalone App Mode):**
  - Tap the Safari **Share** button at the bottom of your screen (square with an upward arrow).
  - Scroll down and tap **"Add to Home Screen"**, then tap **"Add"** in the top-right corner.
  - [ ] *Verify:* Does the custom **24K Gold & Crimson "ACT LIKE IT" App Icon** now appear directly on your Home Screen? ([ ] PASS / [ ] FAIL)
- [ ] **2.3 Launch Full-Screen Studio App & Safe-Area Check:**
  - Close Safari and tap the **"ACT LIKE IT"** icon on your Home Screen.
  - [ ] *Verify:* Does it launch in 100\% full-screen standalone mode (zero Safari URL bar)? Are top/bottom buttons clear of the iPhone Dynamic Island and Home Indicator bar? ([ ] PASS / [ ] FAIL)
- [ ] **2.4 iOS Hardware Mute Switch & Audio Check:**
  - Flip your physical Mute/Silent switch **OFF** and turn Media Volume up to 70\%.
  - [ ] *Verify:* Can you clearly hear ambient Hollywood premiere audio and stage cues? ([ ] PASS / [ ] FAIL)
- [ ] **2.5 Camera & Microphone Permissions:**
  - When prompted by iOS ("Would Like to Access the Camera and Microphone"), tap **"Allow"**.
  - [ ] *Verify:* Does the camera initialize smoothly without throwing permission errors? ([ ] PASS / [ ] FAIL)
